

*A Culinary Haven  
Inspired by the Pied Kingfisher*

Ceryle is a contemporary dine and drink destination that draws inspiration from the elegant and agile Pied Kingfisher (*Ceryle Rudis*).

Just as the kingfisher symbolizes precision, agility, and presence, Ceryle aims to embody these qualities through its vibrant cuisine, innovative medium sized sharing dishes, and dynamic ambiance. Nestled in a scenic setting, the venue offers a menu that combines freshly sourced ingredients with creative flair – echoing this bird’s mastery of water and air.
